a new interpretation of captivity human trafficking and colonization in the seventeenth century caribbean a century before the height of the atlantic slave trade early modern racialized slavery emerged through practices of captive taking and human trafficking in the sixteenth and seventeenth century caribbean the predatory sea offers the first full length study of this deeply entangled history of captivity and colonialism between 1570 and 1670 a multinational assortment of privately funded ship captains sailors merchants and adventurers engaged in widespread practices of captive taking and human trafficking raids against coastal communities and regional shipping in the caribbean ensnared multitudes including free and previously enslaved people of african and indigenous descent who found themselves trafficked into slavery away from their communities of belonging beginning in the 1570s their captors established maritime bases on small strategically located islands throughout the region those anchorages served as temporary settlements for northern european traffickers decades before their respective monarchs sanctioned official colonies colonization thus started with practices of captive taking and human trafficking which remained central to the development of the first english and french colonies in the caribbean through extensive research in spanish french and english archives in europe and the caribbean casey schmitt offers a fresh perspective on how captivity and maritime violence shaped early english french and dutch settlement reading across imperial archives she also reveals the experiences of those ensnared in this trade many captives escaped to spanish population centers where they testified to officials

about what they witnessed in early english french and dutch colonies those testimonies informed a series of spanish attacks on foreign settlements in the caribbean over the decades leading up to the 1650s as schmitt argues captives were cause and consequence of inter imperial competition and warfare during this violent century of caribbean history this captive economy as explicated in the predatory sea shaped english and french colonization inter imperial competition and the lived experiences of captives and their captors
