jesus instructed us that we are to love our neighbours as ourselves is it possible to do that if we live in luxury while other people go without basic necessities when scripture tells us that we cannot serve god and money that the love of money is the root of every kind of evil and that it is more difficult for a rich man to enter the kingdom than for a camel to pass through the eye of a needle should we simply dismiss these warnings as not applying to our own condition does the catholic church have a clear teaching on these matters

livesimply is an initiative launched by the catholic relief agency cafod to encourage lifestyles that are simple sustainable and that show solidarity with the poor it has been the focus of much of their recent fundraising asking people to take the 1 per cent challenge for

example whereby they live on 99 per cent of their income and give the rest away it was originally intended to come to an end in the spring of 2008 but such is the momentum that it has built up over 50 organisations such as pax christi the catholic women s network etc have become affiliates promoting livesimply to their members it will now continue and this is the first livesimply resource book all royalties go to cafod for relief and development work

simple living is not only a philosophy but the story of the life of native american and franciscan sister jose hobday jose sees simple living as a way of life an inner stance an attitude a disposition it is a discernment about emphasis in one s life it is not just about material possessions but about freedom

murphy explores whether technological development inadvertently constructed new vulnerabilities thereby manufacturing a natural disaster as the extreme weather in the ice storm may foreshadow what will occur with global warming leadership in disaster also explores the politics economics ethics and cultural predispositions involved in climate change investigating how modern societies create both the risks they assume are acceptable and the burden of managing them an innovative comparison with amish communities where the same extreme weather had trivial consequences is instructive for avoiding future socio economic catastrophes

in the revised edition of love in a time of climate change sharon delgado offers hope amid the urgency and magnitude of the rapidly advancing climate emergency delgado guides readers on a faith journey inspired by love of god and neighbor equipping them to respond to the climate emergency that wreaks havoc on humanity especially the poor threatens future generations and devastates creation by using scripture tradition reason and experience to explore the themes of creation and justice she helps readers assess the realities and implications of climate change and discern a response that includes honoring creation and establishing justice in our time
